

Dear Valued Client,

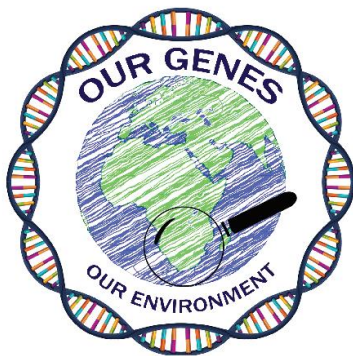

**SPONSORSHIP REQUEST FOR SASHG CONFERENCE  
3 – 6 AUGUST 2019, CENTURY CITY CONFERENCE CENTRE**

It is our pleasure to invite you to be part of the 18th Biennial Congress of the Southern African Society for Human Genetics (SASHG). The congress will be held at the Century City Conference Centre from 3rd -6th August 2019. The recent drought in Cape Town has increased our awareness of the important role the environment in which we live plays in our daily lives. With this in mind, the congress theme “Our Genes, Our Environment” explores the interaction between our genes and our environment, the environment in which we conduct our research and provide services, and the manner in which we disseminate genetic information to our patients, participants and communities. Our congress is an ideal opportunity for sponsors and exhibitors to interact with the top human geneticist South Africa has to offer and to advertise their respective brands. We therefore would like to extend an invitation to you to be an exhibitor/sponsor of our congress.

The venue at the Century City Conference Centre, in Cape Town that has been decided on was chosen particularly with sponsors and exhibitors in mind. Exhibiting companies can be assured of adequate exposure to congress delegates, as lunch and tea will be served in the exhibition area. Please note that exhibition space will be allocated on a first come first serve basis.

In addition, we would also like to encourage you to become partners in this venture by becoming a co-sponsor of the congress.
